**Suddenly, Gill heard a loud crash nearby. Turning around, she saw a small black bird lying on the ground. Bobbi the bird could not fly well. He had hit the ground loudly when he fell down. Gill went to help him up. She found out that Bobbi had no friends and was feeling lonely too. Gill and Bobbi became friends and started playing hide-and-seek together.**

**Soon, it was Bobbi's turn to hide. He was very excited. Gill stuck her head into a hole to look for Bobbi. After a while, she could not put her head out. Gill screamed in fear. Bobbi was horrified. Feeling worried, he rushed to get help. In his hurry, he started to flap his wings fast and flew far away.**

**Help finally arrived. Bobbi returned with some animals. Bobbi stood there watching while the other animals pulled Gill hard to get her head out of the hole.
